

ENTREPRENEUR AND INNOVATION AS A CAREER OPPORTUNITY

Entrepreneur Awareness Seminar Held at Government Polytechnic Ramban

Ramban, October 10, 2024, A seminar on Entrepreneur Awareness was organized today at Government Polytechnic Ramban in collaboration with Entrepreneur Development Institute (EDI) Ramban. The event aimed to inspire and educate students about the benefits of self-employment and government initiatives for entrepreneurship. The aim of the seminar was to

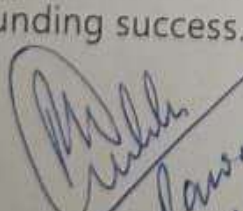

- Inspire students to consider entrepreneurship as a viable career option.
- Create awareness about government initiatives for entrepreneurs.
- Foster a culture of innovation and self-employment.

Government Polytechnic Ramban and EDI Ramban reaffirm their commitment to nurturing entrepreneurial spirit among youth, driving economic growth, and empowering future generations.

Mr. Tasneef Rasool Parray, District Nodal Officer, EDI Ramban, and Mr. Izhaar Ahmad Reshi, Administrative Officer, EDI Ramban, graced the occasion. Welcoming the final-year students from Electrical Engineering and Electronics & Communication Engineering, Mr. Azeem emphasized the importance of entrepreneurship in today's economy.

Mr. Tasneef Rasool Parray delivered a comprehensive presentation, highlighting the need for self-employment and various government initiatives. He urged students to leverage these initiatives to create sustainable enterprises, fostering economic growth and employment opportunities.

Er. Pawan Kumar, HOD E&C, Government Polytechnic Ramban, expressed gratitude to the EDI Ramban officers for sharing valuable insights with the students. He also thanked Er. Aabid Hussain, Demonstrator Electrical Engineering, guest staff, and students for making the seminar a resounding success.
